## **VI. PRESIDENT’S REPORT AND ANNOUNCEMENTS**

Chairman Martin turned the meeting over to President Balderas for his reports and announcements.

### **A. Celebrate Northern**

President Balderas stated he would like to welcome back four of our trades students just completed the first Trades Culture Bootcamp on the Western Colorado University campus. They gained experience in carpentry, electrical work and solar panel installation by building a solar powered gazebo so WCU students can study outside in comfort. Our thanks to Butch Clark for setting up this collaboration between Northern and WCU. Discussions about a 2026 Boot Camp have already begun.

President Balderas thanked Willie Williams for once again organizing a great Juneteenth Observance. Two of our student veterans, Douglas Olmstead and Cipriano Marquez, presided over the flag raising ceremony. President Balderas also thanked State Senator Harold Pope gave a moving address and Senator Ben Ray Luján sent a video message and AJ Pacheco relayed Congresswoman Teresa Leger Fernández’ thoughts on Juneteenth. Jerome Williams passed NNMC’s Drum Major Award to Dr Cedric Hamilton. President Balderas stated he also wanted to thank to Café Cultura’s Melissa and Molly De La Cruz for providing a delicious lunch.

Northern once again turned out to support our LGBTQIA+ community at the Santa Fe Pride Parade. Our thanks to Tammy Winston from Student Life for organizing that and everyone who participated. It was a fantastic event.

President Balderas thanked Congresswoman Teresa Leger Fernandez for a Town Hall in June. About 50 people attended, with many more streaming online. 13-year-old Waylan and seven-year-old Kinsleigh Valdez led the gathering in the Pledge of Allegiance and the Salute to the New Mexico Flag.

President Balderas thanked the many people who were part of the Rural CTE (Career & Technical Education) Alliance for our future workforce held a think tank event here in June. Former Secretary of the New Mexico Public Education Department Dr. Kurt Steinhaus served as master of ceremonies and speakers included LANL Foundation President and CEO Dr. Gwen Perea Warniment, Director of the New Mexico Public Education Department College and Career Readiness Bureau Breezy Gutierrez and Marco Martinez, Deputy Director of New Mexico Department of Workforce Solutions. Several

elected officials or their representatives attended. The event included CTE success stories and innovative solutions for CTE delivery.

President Balderas congratulated to our new Student Senators, President Brandee DeAguero, Vice President Izaiah Martinez, Sentinel Cipriano Marquez, Secretary Denise Arevalo and Senator Lauren Dunbarr. We had the highest voter turnout in a decade and President Balderas is really proud of their work. There are openings for three more senators, and students are encouraged to apply at Student Life or on the Student Senate page. President Balderas met with Ms. DeAguero.

President Balderas stated he wanted to recognize our coaches as they are doing some great community outreach. Coach Mandy Montoya hosted a Youth Basketball Camp the last two days for ages 5 through 17. Coach Mike Dominguez's will host a Skills Camp for grades 2 – 8 next Monday through Wednesday. President Balderas also attended the camp and spoke with many of the students.

President Balderas stated Coach Montoya also hosted the 2025 Lady Eagles Team Camp for girls' basketball high school students in June. The camp focused on player development and recruitment. It included a series of matchups, with Mesa Vista High School winning the competition. Plans are already underway for the 2026 Lady Eagles Team Camp, with an expanded roster of teams and additional development opportunities on the horizon.

President Balderas stated we are very grateful to the Dr. Karen M Trujillo Memorial Foundation for donating \$50,000 to create a new endowed scholarship, which will be open to students seeking a BA in education. The Foundation donated an additional \$1,000 so the first scholarship can be awarded in Fall 2025, without the need for interest to accrue on the endowment for the first award. They have a phenomenal legacy and continue to raise money on her behalf.

The President thanked Longenecker & Associates for renewing their scholarship support for students interested in pursuing careers supporting the U.S. Department of Energy at sites like Los Alamos National Laboratory and Sandia National Laboratories.

President Balderas congratulated all our students who made the Spring 2025 Dean's List. All of them distinguished themselves by completing a minimum of 12 graded credit hours with a 3.5 GPA or better.

Congratulations to our Staff Writer/Reporter Arin McKenna, who was awarded 1st place in the National Federation of Press Women Communication Contest for her press release on the work of Steve Cox and our engineering students to develop a glove to ease the symptoms of Parkinson's disease. She also received an Honorable Mention for her management of Anne Hillerman's Facebook page.

Tomorrow the New Mexico Early Childhood Education and Care Department (ECECD) will celebrate its 5<sup>th</sup> birthday with a Family Resource Fair from 10 a.m. – 2 p.m. in the Rotunda, hosted in conjunction with the LANL Foundation's Early Childhood Team and the Grandparents/Kin Raising Children Council. This event is a unique opportunity for families to learn about the valuable services available to support children and parents across New Mexico, and will include many fun activities.

## B. CUP/NMICC Report

President Balderas stated most everything CUP/NMICC related at this time revolves around the interim legislative session; here are some of the highlights of where we are there:

- The State Auditor reported back through the CUP regarding recent inquiries into University/College Foundations.
  - The State Auditor noted that the OSA considers Foundations to be component units of their respective institutions. This was a point of discussion for some, as opinions had previously differed.
  - The State Auditor also reported that across all institutions, only one finding was identified in FY24, and that the OSA will not pursue any further action or inquiry regarding Foundations.
  - Northern already treats its Foundation as a component unit, as you know, and the Foundation is included in our annual audit as a component unit
- The CUP and HED are collaborating to further define and refine reporting data related to targeted funding, such as GRO retention funding. Some institutions expressed concern over allocations as a result of lagging data.
- Higher Education Funding Study
  - Report to be released soon, likely August. President Balderas stated for him the critical point is they do not include deferred maintenance. He is hoping there is some opportunities to make the funding formula more equitable.
  - All institutions curious to see the results and we will have more information for the Board when we have them
- Both CUP/NMICC continue to work with HED and the legislature to strengthen relationships and represent all our institutions' interests

## C. NNMC Foundation

President Balderas presented the following:

**FY25 Philanthropic Donations – Total - \$658,232.00**

1. FY25 Philanthropic Donations July 1, 2024 to June 30, 2025 - \$584,927.00
  - President's Eagle \$1,000,000 Campaign - \$447,897
  - Pass Thru Grants and Other Funds - \$137,030
2. FY25 In Kind Donations: July 1, 2024 to June 30, 2025 - \$73,305.00

President Balderas stated this is amazing work because we don't have a Foundation.

**D. Introduction of Staff and Faculty**

President Balderas introduced the following:

**Stephen Miera****Assistant Basketball Coach**

Coach Stephen Miera brings 15 years of basketball coaching experience, including over 8 years in the college field. Miera most recently served as Men's and Women's Assistant Coach here at NNMC and before that as the Director of Greyhound Properties at Eastern New Mexico University. His basketball background includes stops at Bakersfield College, New Mexico Highlands University, Robert F. Kennedy High School and Highland High School. Coach Miera has ventured into the international market as a recruiting specialist and professional trainer working with collegiate and pro athletes in Mexico.

Miera has won at multiple levels, including the 2018 RMAC Championship at NMHU, the first in the school's history. As the Head Coach at Robert F. Kennedy High School, he led them to a perfect 18-0 record and an Albuquerque Charter School Athletic league title in 2016-17, the school's first and only title. Miera's recruiting and development abilities have led to multiple DII All-Conference players, professional contracts and college scholarships during his time at the high school level.

Coach Miera received his bachelor's degree from the University of New Mexico and an M.A. in Human Performance and Sport from NMHU.

President Balderas stated the coaches are also an enterprise. Entering into what he calls as an enterprise phase. For years they played basketball and then wonder where the heck is housing and no one seemed to be able to give student athletes more options than either private sector, go try to get an apartment on your own or the institution. So, it's saying that we're just not in the housing business. So, we want to really credit the athletic department and some of the leaders like Coach Miera because as the President fixes the dorms, we don't have a housing department so we are caught between. He knows there are chuckles with our staff because you all know as talented staff, that is very risky but we are also in a housing crisis that he would rather take our chances that there will be

leaders that step in and help me develop a policy for discipline and behavior or a contract or we step in and we figure out how is it we're going to provide food and security. So, it's exciting because Coach Miera is going to be our first coaching resident that lives at the dorms. There's a great little apartment he has, so he's going to serve, as part RA and then part coach and then get on the road. But that kind of innovative leadership and model is more around enterprise and so President Balderas wanted to welcome him back but we wouldn't be able to pull that off if someone wasn't willing to live in El Rito. Coach Miera is really stepping up. President Balderas has approved that he could bring a service dog so we are going to have canines out there. President Balderas stated he wanted to congratulate Coach Miera for really taking on to try to be a steward for the male athletes that are in the dorm in the evenings and then President Balderas knew Coach Montoya is already recruiting a coach and kind of an RA leader that will help provide support and services for the kids, for instance, if they need daily transportation or if they need to go to a grocery store. We want to make sure that staff is living out there and that we have vehicles for them. This is an exciting enterprise that President Balderas wanted to share with the board.

Chairman Martin asked if there were questions from the Board.

Regent Velarde stated no questions but thanked the President for the update. Really good stuff.

Regent Archuleta – no questions.

Regent Gurule – no questions.

## **VII. FACULTY SENATE PRESIDENT REPORT**

Chairman Martin requested Dr. Brailey join the meeting.

President Brailey stated he has nothing to report.

## **VIII. RECOGNITION OF JASIE GREEN - STUDENT SENATE PRESIDENT**

Chairman Martin stated he would like to have Ms. Jasie Green come up and join the board so they can recognize her for all her hard work.

Chairman Martin welcomed Ms. Green and asked her how her summer was. Ms. Green stated she is still here taking her one class. Chairman Martin stated the end is in sight. Ms. Green stated yes and this week is the last week so it is actually nice.

Chairman Martin stated the board wanted to get together to thank her for all her hard work and Chairman Martin knows with the rest of the board also would like to thank her.

Regent Velarde welcomed Ms. Green and stated we are excited to have such great leaders with us and it is so great to hear, it's like the largest voter turnout in a long time. She was in the Student Senate 20 years ago, maybe 22 years ago so that is pretty awesome.

Regent Archuleta congratulated Ms. Green and welcomed her.

Regent Gurule stated she would like to thank Jasie for her service and all that she did for the Student Senate during her term. Regent Gurule is very impressed and very proud of the succession plan that she also had with all of the students in that took over when Ms. Green was done. It's very inspiring and amazing to see that we have such a full Senate this year and Regent Gurule knows that is a compliment to all the work Ms. Green did during her term as well. Regent Gurule thanked Ms. Green for all the mentoring Ms. Green did for those students.

President Balderas stated we pride ourselves on really partnering with all our presidents and we want to thank you, and we got you a fancy gift.

## **IX. STUDENT SENATE PRESIDENT REPORT**

Chairman Martin asked the new Student Senate President Brandee DeAguero join the Board. Chairman asked Ms. DeAguero to introduce the senators. Chairman Martin congratulated the elected senators who were present and stated he is looking forward to working with them this coming year and anything they can do, please let the Board know.

Ms. DeAguero stated she is excited to be here and excited to work with everyone.

President Balderas stated it is like a pattern, the leaders that they put up. President Balderas stated he was very impressed with Ms. DeAguero's personal background. They're already very highly competent and high achievers so they kick out credits and GPAs and all that but every one of these Presidents that President Balderas has gotten to work with has a backstory and Ms. DeAguero in terms of overcoming some of this, the barriers and struggles she really is a role model for so many others that are that don't have an easy path so President Balderas is very impressed with kind of who Ms. DeAguero is and he is excited about what she is going to do. President Balderas thanked Ms. DeAguero for sharing some of that information with him yesterday.

Chairman Martin asked if there were any other comments and stated he looks forward to seeing Ms. DeAguero next month.

## **X. STAFF REPORTS**

### **A. Vice President for Finance & Administration**

Chairman Martin asked Mr. Tim Crone to join the Board as they will discuss the non-exempt staff bargaining unit CBA

1. Northern Federation of Educational Employees, AFT-NM, AFL-CIO Faculty Bargaining Unit Collective Bargaining Agreement

This item was tabled for this meeting.

2. Northern Federation of Educational Employees, AFT-NM, AFL-CIO Non-Exempt Staff Bargaining Unit Collective Bargaining Agreement

Matt Baca, General Counsel stated he is happy to give a brief overview. He asked Chairman Martin if he would like to hear any sort of color commentary from the President and Mr. Crone prior to him getting into the details. Chairman Martin stated yes.

President Balderas stated we have to engage in three union negotiations during the summer. It is something we don't mind doing. We're very honored to hear out some of the priorities but Mr. Crone is not only former faculty he prides himself on being a really tough guy, and President Balderas really prides himself on that we get along great with the unions and one of the principals of our engagement is that we don't mind. We welcome people's differing opinions. We welcome criticism but a signature goal of our leadership was to really show you that we could get into union negotiations and not have a breakdown and Mr. Crone's always a good resource to offer context and perspective that he shares that there were times he almost got into fist fights and you know, but we're making a very productive progress. We have two more unions to go but we're here to talk about some good news in an agreement with one of our unions. So, with that, President Balderas deferred to Chairman Martin. Chairman Martin asked Mr. Crone if he had any comments.

Mr. Crone stated he agrees with what President Balderas said, just as an aside, he is glad that we call you Chair, because there are a number of Presidents, President Balderas, President of the Senate President of the Union so to go back to calling the chair it was very productive. Mr. Crone was thinking and he knows that in fact we talked a great deal about governance, shared governance and everybody in these units are sharing governance and collective bargaining is essentially that. Mr. Crone thinks that in the colleges, in the institutions where you have collective bargaining, that the collective bargaining is the heart of the shared governance and so the sharing it leads to workplace democracy and this unit, the nonsense stab in many ways has been left out of the government of the institution and that certainly gets changed. Mr. Crone stated he has a good friend Kathryn Chavez who is the president of the staff for the Albuquerque Department schools at the ATF and she points out that everyone that works in the institutions is an advocate and we know that to be a fact, we've had, first of all families, obviously the workers in the institution. We also have virtually everybody who works

here as a recruit working in this community to recruit students and keep the institution healthy. The other thing Mr. Crone would like to add is that this was very cordial and comfortable. It was very professional. It wasn't negotiations, it wasn't a chess match, it wasn't seeing who could sneak something in or do something under the table. There was no acrimony. There were some disagreements, they were very friendly and never heeded and this is the atmosphere he has been doing this since 1993. This is really the first time that this has been a comfortable, enjoyable experience and he thanked everyone for helping create the atmosphere.

Chairman Martin turned it over to Mr. Baca.

Mr. Baca thanked Chairman Martin, President Balderas and stated in the packet there is a memo that describes the top line of the changes. One thing he will point out is that for this particular unit, the college bargaining agreement did the full three-year agreement did run June 30<sup>th</sup> so the entire agreement was open to negotiation. The agreement that the board will vote on today and presumably approved will set up the next three years with the caveat that every single year the compensation article is open to negotiation. So just some context, for why there's changes across articles in the entire document, not just compensation very quickly. The change in Article 4 were really just to mirror the language in the full-time faculty CBA that discusses the college's nondiscrimination policy which is added to the actual agreement. It was really just some cleanup language. There were really no substantive changes really. Just make consistency across the CBA's and bring some clarity to that article, Article 16. The work week is defined in that article and as the union pointed out, there was a discrepancy between what was previously the definition of the work week and how the work week is now defined since we moved into the workday system. So that term has been updated to reflect the definition of work week and workday system.

Mr. Baca stated in Article 18, we updated the language in the wellness policy. It currently says that the wellness policy referred to in the staff Handbook shall be in effect for the unit members. We do anticipate some future change to the staff handbook. Not necessarily the wellness policy, but union brought up that we might want to make clearer that we are referring to a specific document. So, there's a minor change there to refer to the specific existing staff handbook and wellness policy that's in there.

Mr. Baca stated Article 32 is the compensation article. So, that was updated to reflect the 4% legislative appropriation across the positions that are articulated in that article. So, the base rate of pay that are articulated there were increased by 4% consistent with that legislative enactment and then there's also a provision that essentially provides a retention bonus to folks who have worked at the college every four years. They work here. In the previous agreement they were entitled to a 45-cent increase on their hourly wage and we have agreed to double that and make that a 90-cent increase so every time

one of those folks is up for retention bonus every four years. They're now eligible for 90 cents as opposed to 45 cents and then we added an article which creates a sick leave donation program. There's a little bit of a longer explanation but in both, in the staff full time faculty CBA there was historically a sick leave bank program and then in the staff handbook there was a similar but albeit not exactly the same sick leave bank program through negotiations with both units. We have developed a new sick leave donation program which would allow a staff member who had experienced a catastrophic health event and is running out of leave to basically apply for sick leave donation so that the HR Department will broadcast an email across the college. Of course, without identifying information or anything like that, but to alert the eligible employees across both the faculty and the staff, that that someone, one of their colleagues, is in need of donated sick leave to cover their time while they're out with this catastrophic incident, and so the HR can collect those donations and then pass them on to the affected employee, and that employee can then apply those sick leaves hours as they still take home their pay while they're out so that covers the changes that were actually made to the document. So, the recommendation of the Administration Chair, Martin and Regents is that you all approve those amendments from your side. From there we will update the full document and then have Mr. Crone and you all sign that document. So, with that explanation Chair Martin. Mr. Baca stood for any questions about the changes or any other questions.

Chairman Martin asked if there were questions from the Board.

Regent Velarde stated she does not have questions, she would actually like to thank Mr. Baca and President Balderas for their work because she actually had this conversation with President Balderas a couple of weeks ago on how union negotiations use to be one of the top things, we'd hear of one of our top worries, one of the top issues that was brought to us. She remembers a time when we unknowingly hired a union buster attorney and didn't know until after the fact and so being that number one, she is a fan of Tim. He was her professor for a few classes. She liked him so much she took more than one class. She thinks she took three classes with him. My family blames him for all her conspiracy theory she loves because he taught her so much about our history. So, Regent Velarde just wants to thank everyone involved because it is so much nicer to know she personally supports union and she thinks they're very important and to know that we are doing justice and the right thing for our faculty is really important. So, thank you, all of you.

Regent Archuleta – no questions. Thank you, guys.

Regent Gurule thanked everyone that invested work and time into this ratification and had no questions.

Chairman Martin entertained a motion to agree to update the terms as described and authorize entering into the new full, collective bargaining agreement.

**Regent Velarde moved to agree to update the terms as described and authorize entering into the new full, collective bargaining agreement. Second – Regent Archuleta. Chairman Martin – yes, Regent Archuleta – yes, Regent Velarde – yes, Regent Gurule – yes. Motion passed unanimously.**

3. Northern Federation of Educational Employees, AFT-NM, AFL-CIO Adjunct Faculty Bargaining Unit Collective Bargaining Agreement

Tabled.

## **XI. EXECUTIVE SESSION**

Chairman Martin stated the Board will now enter into Executive Session and will entertain a motion that the Board convene in closed session to, as authorized by the limited personnel matters exception to the Open Meetings Act to discuss President Balderas Evaluation.

**Regent Gurule moved that the Board convene in closed session to, as authorized by the limited personnel matters exception to the Open Meetings Act to discuss President Balderas Evaluation. Second – Regent Velarde. Chairman Martin – yes, Regent Velarde – yes, Regent Archuleta – yes, Regent Gurule – yes. Motion passed unanimously.**

Chairman Martin thanked everyone and stated the Board will now convene in closed session to consider only the items covered by the motion.

- ## **XII. VOTE TO REOPEN MEETING**
- Certification that only those matters described in the Executive Session Agenda were discussed in the closed session; if necessary, final action with regard to certain matters will be taken in Open Session

Chair Martin stated the matters discussed in the closed meeting were limited to those stated in the motion to close as recorded in the minutes. Chairman Martin stated he would entertain a motion to reopen the meeting.

**Regent Gurule moved to reopen the meeting. Second – Regent Archuleta. A roll call vote was taken. Chairman Martin – yes, Regent Velarde – yes, Regent Archuleta – yes, Regent Gurule – yes. Motion passed unanimously.**

## **XIII. ADJOURNMENT**

Chairman Martin entertained a motion to adjourn.

**Regent Velarde moved to adjourn. Second – Regent Gurule. A roll call vote was taken. Chairman Martin – yes, Regent Velarde – yes, Regent Archuleta – yes, Regent Gurule – yes. Motion passed unanimously.**

The Board of Regents adjourned at 4:39PM.

Northern New Mexico College

**FROM:** Theresa Storey, Chief Financial Officer

**THRU:** Hector Balderas, President

**DATE:** August 29, 2025

**RE:** Fiscal Watch Report

**Issue:**

On a quarterly basis, Northern New Mexico College (NNMC) provides an institutional report for the Board of Regents (BOR) for review and approval.

**Overview:**

Quarterly, the NNMC Chief Financial Officer and the Business Office staff prepare a Fiscal Watch Report for review and discussion at the Audit, Finance, and Facilities Committee (AF&F) meeting. The financial report provides an overview of the institution's financial condition for all unrestricted and restricted funds and grants throughout the College.

The Fiscal Watch Reports are presented in the format prescribed by the New Mexico Higher Education Department (NMHED). Additional information is included to provide a budget status update for the Institution. In addition, the BOR also is provided information for the following financial areas summarized in the monthly institution-wide Fiscal Watch Report:

Unrestricted Funds  
Auxiliary Programs  
Institutional Grants  
Student Aid  
Plant Funds  
Capital Outlay Projects

**Recommendation:**

Staff recommends that the BOR approves the Fiscal Watch Report for the period ending June 30, 2025.

*Chief Financial Officer***NORTHERN New Mexico College****MEMORANDUM**

**TO:** Board of Regents  
Northern New Mexico College

**FROM:** Theresa Storey, Chief Financial Officer

**THRU:** Hector Balderas, President

**DATE:** August 29, 2025

**RE:** FY25 Certification of Capital Asset Inventory

**Issue**

2.2.2 NMAC (i.e. State Auditor Rule) states “The Audit Act (Section 12-6-10 NMSA 1978) requires agencies to capitalize only chattels and equipment that cost over five thousand dollars.” Accordingly, the rule also states “[A]gencies shall conduct an annual physical inventory of chattels and equipment on the inventory list at the end of each fiscal year in accordance with the requirements of Section 12-6-10 NMSA 1978. “The agency shall certify the correctness of the inventory after the physical inventory.” Additionally, the College as a recipient of federal awards must be compliant with 2 CFR 201.313 (i.e. conduction of a physical inventory every two years).

An annual inventory of items that met the capitalization threshold was conducted by NNMC Business Office, Facilities, Information Technologies and academic program staff. Assets were located, identified and matched against the inventory listing. Adjustments were made to updating the asset identifier information and location.

**Recommendation**

Staff recommends approval of the certification of the annual capital asset inventory.

*Chief Financial Officer***NORTHERN New Mexico College****MEMORANDUM**

**TO:** Board of Regents  
Northern New Mexico College

**FROM:** Theresa Storey, Chief Financial Officer

**THRU:** Hector Balderas, President

**DATE:** August 29, 2025

**RE:** Research & Public Service Project (RPSP) Funding Request

**Issue:**

Submission of annual RPSP funding requests to the New Mexico Higher Education Department (NMHED).

**Overview:**

The New Mexico Higher Education Department (NMHED) has issued guidance for the preparation of Research and Public Service Projects (RPSP) funding requests for Fiscal Year (FY) 2027. The NMHED has determined that this year's process will entertain submissions of new, continuing, and expansion requests that meet the criteria outlined in 5.3.5.12 NMAC.

These projects are specifically designed to fund initiatives at higher education institutions that have a research or public service component. This process supports a specific funding stream for dedicated programs that extend beyond the basic instruction of a college or university and serve to advance research or the broader public.

NNMC is permitted to submit up to three new requests for consideration. Please note that both new and existing requests must be submitted to the Higher Education Department by September 15, 2025.

**Recommendation:**

Staff recommends that the BOR approve the Northern New Mexico College Fiscal Year 2027 RPSP Funding Request.

RPSP Account Code	96400-9641-7444 Teacher pipeline initiatives		Note: Ensure you are choosing the account code for your HEI. If it is not listed leave blank.
FY27 Funding Request	\$420,000.00		
If previously funded, enter amount that was awarded in FY26 OpBud.		\$ 250,000.00	
Type of Project	Education and Teacher Prep		
1	Number of years the project has received General Fund support: (Disregard if new program)		4
Increase cell size as necessary for narratives			
2	<b>Project Description/Executive Summary:</b> Teacher Pipeline Initiative has two key goals. The first goal of the project is to recruit, retain, and prepare a pipeline of diverse teacher candidates that are culturally responsive educators. Programmatic initiatives include a strong focus on English Language learners, Native American students, and children with disabilities. The second goal of the project is to recruit and retain a highly qualified diverse faculty.		
3	<b>Budget Narrative (Overview only - Budget Detail follows on next worksheet):</b> General Fund Appropriation as reflected in Laws of 2024, General Appropriations Act, House Bills 2 and 3, Section 4, Chapter 69. The budget request is aligned to the elements required to build a diverse teacher pipeline: 1) the recruitment, retainment, and graduation of a diverse student population that is day one ready to work in New Mexico public schools; and 2) the recruitment and retainment of a highly qualified diverse faculty.		
4	<b>Program Mission (Include population served, other demographic information):</b>		

The mission statement was last reviewed in the spring of 2024 during the bi-annual Department of Teacher Education (DTE) Advisory Committee meeting. The committee is composed of community stakeholders – district superintendents, school principals, Head Start providers, nonprofit directors, faculty, and administrators. DTE faculty lead the group in a reading and evaluation of the DTE mission and vision statements. The Mission Statement was expanded to include the following; To prepare the highest quality teachers in partnership with New Mexico school districts and communities by celebrating the uniqueness of northern New Mexico's multicultural, multilingual students, communities and pueblos.

Following are the enrollment and graduation rates disaggregated by ethnicity. The significant increase in enrollment and graduation rates for Hispanic students could possibly reflect the addition of Spanish language coursework and the addition of faculty fluent in both Spanish and English. The additional funding request is to support the intentional addition of Native American ideology, culture and supports throughout the curriculum and support services offered.

Spring 2025 Enrollment-Hispanic 138; Native American 19; White 33; Other 11 =204 total

Spring 2024 Enrollment-Hispanic 80; Native American 19; White 30; Other 7 =136 total

Spring 2023 Enrollment-Hispanic 66; Native American 22; White 21; Other 7 =119 total

Graduation rates

Academic Year 2024-2025-Hispanic 53; Native American 7; White 15; Other 6 =83 total

Academic Year 2023-2024-Hispanic 34; Native American 9; White 13; Other 2 =58 total

Academic Year 2022-2023-Hispanic 27; Native American 12; White 11; Other 6 =56 total

5 **Key Project Objectives (Overview only - Details and Measures on following worksheet):**

1. Student recruitment, retainment, and program completion is the #1 key project goal. The DTE held several recruiting events in partnership with school districts and early childhood centers at their locations of choice. The events were highly successful in that DTE faculty, staff, student ambassadors, district/school personnel, community members, and potential students were able to meet and discuss program options. The events included one-on-one personal advising appointments, general information sessions, and informal conversations. The addition of faculty and staff that mirror the ethnicity of our student population seems to be a catalyst for building the student support systems necessary to increase student success measures.

2. Recruitment and retainment of faculty- The recruitment and retainment of faculty has stabilized as the salary supplements are provided to compete with Level 3 teachers. Salary is only one challenge in the recruitment and retainment of faculty at NNMC. Affordable housing as well as housing of any kind is a scarce commodity in rural areas. The hiring of faculty to work remotely was one idea tried during the 2024-2025 academic year, and it was not successful. The remote positions did not allow or foster the building of reciprocal relationships that are culturally and linguistically responsive. Two faculty left NNMC and the DTE was able to hire three new faculty for the 2025-2026 academic year; one Anglo, one Hispanic, and one Native American.

6 **For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:**

Goal #1- Teacher Pipeline-Student recruitment, retainment, graduation- Significant increase in all 3 areas; enrollment increase from spring 2024 to spring 2025 is 50%. Graduation increase from academic year 2023-2024 to 2024-2025 is 43%.

Goal#2-Recruitment and retainment of a diverse faculty- Six fulltime tenure track faculty; 3 Hispanic, 2 Anglo, 1 Native American.

The building of strategic partnerships has been key to the growth and building of sustainable programs for the Department of Teacher Education. Partnerships with districts around the state of New Mexico now include MOU's with Española Public Schools, Los Alamos Public Schools, Las Cruces Public Schools, J Paul Taylor Charter Schools, Albuquerque Public Schools, Christine Duncan Academy, Taos Charter School, Chama Valley Independent Schools, Pojoaque Public Schools, Corrales International School, Jemez Valley Schools, Hózhó Academy, and Santa Fe Public Schools. The MOUs help define working relationships with partners that build confidence and goodwill. The challenge is time and human resources to build and maintain the relationships.

7

**Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):**

The Teacher Pipeline Project supports Governor Lujan Grisham's educational initiative to support teachers and families. The project objectives specifically focus on a strategic plan that supports the project goal- create a diverse teacher pipeline that is trained to work with the culturally and linguistically student populations of New Mexico schools. The project impact is demonstrated through the accomplishment realized during 2024-2025. The increase in enrollment and graduation rates have increased the number of licensed teachers in the State. Our programs include a diverse student population that tend to include students from rural communities. A diverse faculty is being recruited and retained due to the salary supplements that have increased our ability to compete for excellent faculty candidates that are willing to live, work, or commute to rural New Mexico counties.

8

**Describe Student Population Served (in-state vs out-of-state students):**

The Department of Teacher Education serves students from almost every county in northern New Mexico as well as throughout the state. Some of the districts represented in the counties include Pojoaque Valley Schools, Espanola Public Schools, Santa Fe Public Schools, Los Alamos Public Schools, Chama Valley Schools, Peñasco Independent Schools, Questa Independent Schools, Gallup McKinley County Schools, Jemez Mts, Dulce, Taos Municipal Schools, Mesa Vista Schools, Albuquerque Public Schools, Las Cruces Public Schools, and several charter schools- Christine Duncan Academy, Hózhó Academy, McCurdy, Taos Charter, Corrales International, and J Paul Taylor. Our online teacher education programs have provided students in the rural areas and that were working fulltime the flexible schedules needed an opportunity to complete their education goals.

2 Project Description/Executive Summary:

NNMC has a long tradition of excellence in nursing education. We have been educating nurses to meet the healthcare needs of our community since 1973. Today we offer a career ladder from Certified Nurse Aide (CNA), to Licensed Practical Nurse (LPN), to an ACEN accredited Associate Degree Nursing Program (RN), and a CCNE accredited holistic RN to BSN Program. Our nursing graduates can be found working at the bedside, in the community, and in leadership positions both locally and nationally. Northern's two-year associate degree nursing program was founded in 1984 when Northern was a Community College. After the transition to four-year college status in 2005, Northern expanded its baccalaureate degree program offerings to include a baccalaureate degree in nursing (RN to BSN Program). The RN to BSN Program provides an opportunity for working nurses to earn a baccalaureate degree and respond to state and national employment trends that demonstrate an increased demand for baccalaureate-prepared nurses for. The RN to BSN Program is now offered fully online in an effort to increase student enrollment. Recruitment and retention of qualified nursing faculty is necessary to sustain the nursing programs at Northern. Low nursing faculty salaries, in comparison to industry standards, is a major barrier to the successful recruitment and retention of nursing faculty. In order to recruit and retain qualified nursing faculty it is necessary to offer competitive nursing faculty salaries. This project will 1) enable the college to sustain nursing faculty salaries at market rate and to retain qualified nursing faculty necessary to sustain the nursing programs; 2) enable the college to continue student recruitment efforts to expand enrollment in the pre-licensure ADN program and the fully online RN to BSN Program; 3) increase program completion rates through student support initiatives and graduate diverse nursing students from the ADN program to meet the local workforce needs for Registered Nurses; 4) Maintain success in NCLEX-RN pass rates at or above 80% for first time takers; 5) Recruit and retain qualified staff to support nursing instruction.

**3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):**

General Fund Appropriation as reflected in Laws of 2024, General Appropriations Act, House Bills 2, Section 4, Chapter 69. Northern New Mexico College (NNMC) respectfully requests \$947,504 from the New Mexico Higher Education Department (NM HED). \$508,064 is recurring funds related to the Nursing Expansion Grant awarded in AY 2023 for the pre-licensure Associate Degree Nursing (ADN) program to admit, retain, and graduate diverse nursing students to meet the local workforce needs for Registered Nurses (RNs). Specifically, these funds will 1) support nursing faculty recruitment and retention by providing funds for a nursing faculty retention bonus; 2) fund program recruitment activities; 3) fund a Simulation Coordinator position; 4) provide student stipends, and cover the cost of tuition and fees for students who are not eligible for financial aid; 5) support student success initiatives such as academic tutoring, peer mentorship program, NCLEX-RN success courses/initiatives; 6) support adjunct faculty training and professional development, 7) support faculty professional development; and 8) recruit students for the RN to BSN program.

**4 Program Mission (Include population served, other demographic information):**

The mission of the associate degree nursing program is to provide an affordable, quality, community-based nursing education that prepares registered nurses to provide safe, quality, patient-centered care to individuals and populations across the lifespan. The mission of the RN to BSN Program is to provide a quality learning opportunity that prepares integral nurses who embrace and practice holistic, relationship centered care that addresses individual and collective health. Northern is a Hispanic and Native American serving institution. The demographic information for the students enrolled in the nursing programs at Northern is currently (Fall 2025 data) 70.8% Hispanic, 21.5% Caucasian, 3% Native American, 1.5% black, and 1.5% Asian . As such, the nursing programs at Northern serve to educate a diverse nursing workforce and increase the number of nurses from minority populations.

5 **Key Project Objectives (Overview only - Details and Measures on following worksheet):**

1. Recruit and retain qualified nursing faculty. 2. Expand program enrollment in the pre-licensure nursing program and in the online RN to BSN Program. 3) Support student success initiatives to improve program completion and graduation rates, with the ultimate goal of increasing the number of Registered Nurses in the NM nursing workforce. 4) Maintain NCLEX-RN success at or above 80% for first time takers.

6 **For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:**

AY 2025 projects: 1) Full-time faculty recruitment and retention remains a challenge. Challenges related to recruitment and retention of qualified nursing faculty include the salary disparities between nursing faculty and bedside nurses, and the state and national nursing faculty shortage. Two additional FT faculty were recruited for AY25 for the ADN program, but they were not retained. In addition, a senior nursing faculty member (Clinical Coordinator) retired. The ADN program currently has two nursing faculty vacancies. One FT faculty member was hired for AY 26 and a PT Clinical Coordinator was hired. Nursing faculty retention bonuses support nursing faculty recruitment and retention. All nursing faculty are paid at their highest possible salary level on the negotiated nursing faculty salary matrix. Adjunct Faculty: The number of adjunct faculty changes from year to year. The ADN program has been able to recruit and retain adjunct faculty on a consistent basis. In addition, we were able to negotiate a salary stipend for adjunct faculty to address compensation issues. 2) Enrollment and program completion: Program applications and admissions to the associate degree nursing program remain stable, and is back up to pre-covid levels. Graduation rates more than doubled (by 118%) from 2024 to 2025! RN to BSN Program enrollment remains low. 3) NCLEX-RN pass rate: The NCLEX-RN licensure pass rates for the ADN Program was 100% for 2023 and 2024! The ADN program implemented a variety of activities that support student success and a positive student experience, to include: 1) implementation of a new instructional software package (Assessment Technologies Institute (ATI)) to support interactive learning and Next Generation NCLEX Exam formats; 2) implementation of a peer mentorship program; 3) faculty tutoring; 4) student scholarships and tuition assistance for all enrolled students; 5) stipends for graduates to take and pass the NCLEX-RN exam within 3 months of graduation; and 5) funding for nursing faculty professional development. In addition, the program employees a part-time success coach to support student retention and persistence in the program. AY 2026 Project Objectives: 1) Recruit and retain qualified nursing faculty and staff. Increase the Nursing Faculty Retention bonus from \$7,000 to \$10,000. 2) Expand program enrollment, both in the pre-licensure ADN program and the RN to BSN program. Partner with NM Online Hub to market the BSN program. Explore the possibility of admitting students twice a year to the ADN program to increase program enrollment. 3) Support student academic success initiatives to increase program completion and graduation rates to meet the local workforce

7 **Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):**

This project will address the state wide nursing shortage by increasing the number of Registered Nurses in the NM workforce; increase the diversity of the nursing workforce; and address the Institute of Medicine's (IOM, 2011) call to increase the number of baccalaureate-prepared nurses.

8 Describe Student Population Served (in-state vs out-of-state students):

94% residents of NM. 6% non-residents.

9

The Associate Degree Nursing Program was a partner in a HRSA diversity grant sponsored by the Colorado Center for Nursing Excellence. Project benefits include a student peer mentoring program (includes academic tutoring, student success course, peer networking, student stipends, non-academic resources), holistic admissions training, Becoming Culturally Inclusive and Bias Training for faculty, Transition to Education program, and a faculty academy.

10 Medical Projects Only - How many graduates stay and practice in New Mexico?

100% of pre-licensure nursing graduates.

Project Description/Executive Summary:

Northern New Mexico College (NNMC) has seen significant growth in its athletic program, which serves as a vital component of student success and institutional outreach. Since its launch in 2008, the program has expanded from basketball to include Men's and Women's Cross Country and Tennis in Fiscal Year 2025. This expansion demonstrates our commitment to academic excellence, enriches the student experience, and ensures compliance with NAIA standards. The program's emphasis on student excellence is evident in the fact that 22 student-athletes earned Academic All-Conference Honors and 21 made the Dean's list in the 2024-2025 season.

NNMC's athletic program provides a pathway to higher education for a diverse group of student-athletes, including those with significant financial need. Our teams are composed of both local and out-of-state talent, including international students, enriching our campus community. We have also seen success on the field, with both men's and women's basketball teams qualifying for their conference tournaments in the 2024-2025 season. Despite these successes, the program faces significant challenges due to a long-standing funding gap compared to other institutions. This gap impacts critical areas like staffing, travel, equipment, and scholarships. With a current staff of only 6 full-time employees, the department relies heavily on volunteers, creating a need to build capacity as the program grows. To address these challenges and sustain our momentum, the athletic program is actively seeking to increase revenue through state appropriation, sponsorships, camps, and private donations.

3

Budget Narrative (Overview only - Budget Detail follows on next worksheet):

To fulfill its mission and strategic pillars, Northern New Mexico College recognizes that advancements must be supported by a corresponding commitment in funding. The addition of Cross Country and Tennis requires substantial funding for new coaching staff, athletic trainers, uniforms, equipment, travel, and scholarships. Furthermore, the college's move to the California Pacific Conference (Cal Pac) in FY26, while ultimately a cost-saving measure for future travel, requires a strategic approach. For the first year, all conference competitions will be held in Arizona to minimize travel costs during this transition. By FY27, member schools will begin hosting home competitions, which will shift travel expenses and provide new opportunities for the college and community.

4 **Program Mission (Include population served, other demographic information):**

NNMC athletes are full time seeking students that are enrolled in 12 or more credit hours per semester. The Athletic program has an emphasis on retention of its student athletes, student excellence, and leadership amongst peers. Twenty-two of our men's and women's athletes earned 2024-25 CAC Academic All-Conference Honors for their work in the classroom, achieving a 3.2 or higher cumulative grade point average. Twenty-one of our men's and women's athletes earned the Dean's list honor, achieving a 3.5 GPA or better.

5 **Key Project Objectives (Overview only - Details and Measures on following worksheet):**

The athletic program at Northern New Mexico College aims to promote student success and retention by providing a vital pathway to higher education, with a strong focus on academic excellence and leadership development. To support this mission and its recent expansion into new sports, the program seeks to build financial sustainability and operational capacity by increasing revenue through state appropriations, sponsorships, and donations. Ultimately, the program serves as a powerful tool for institutional outreach, enriching the campus community with a diverse student body and raising the college's regional and national profile.

6 **For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:**

Our student-athletes continue to excel both on and off the field. In the 2024-2025 season, our men's and women's basketball teams both qualified for their conference tournaments, and over 50% of these student-athletes earned Academic All-Conference honors. This success extended to our coaching staff, with our women's basketball coach being named the Continental Athletic Conference Coach of the Year. Additionally, the college successfully completed its inaugural seasons of Cross Country and Tennis. With a new staff in place, we aim to build on these achievements. However, the program continues to face a significant challenge: a lack of athletic investment compared to other institutions. This funding gap impacts critical areas such as full-time equivalent (FTE) positions, travel, equipment, and scholarships.

7 **Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):**

This project gives our student athletes a vital pathway to a college education and the chance to compete at a collegiate level. By supporting this initiative, we provide opportunities for students, especially those with significant financial need, to find a sense of belonging and succeed in a college setting. Our athletic program also serves as a powerful marketing tool for the institution, raising our profile regionally and nationally.

8 **Describe Student Population Served (in-state vs out-of-state students):**

Our teams represent a strong mix of local and out-of-state talent. On the men's side, we have nine athletes from New Mexico and eight from out-of-state, including three international students. Our women's program features seven in-state athletes alongside five from out-of-state, including two international players. This blend of local and diverse talent enriches our campus community and competitive environment.

9 Does the project receive awards, private donations or federal grants? Have you sought out funding from other sources?

The athletic program actively seeks support from the community. It has increased revenue and community outreach through camps and sponsorships, in addition to receiving private donations from local businesses and individuals.

2 Project Description/Executive Summary:

Growth of the campus food pantry by establishing improved processes for food distribution systems, enhancing the infrastructure to serve more students, and create more robust opportunities for nutritious foods/education. This funding will include farm-to-campus initiatives involving Sostenga Farm for weekly food boxes, culinary classes, and partnerships with key stakeholders for nutritious and low-cost food options on campus.

3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):

FTE needed to serve as the program coordinator, supplies needed to distribute food safely, and other equipment and supplies to support the expansion and sustainability of the program.

4 Program Mission (Include population served, other demographic information):

To address food security comprehensively and shift from emergency meal provision to reliable, convenient, and nourishing food solutions offered to students at Northern New Mexico College (NNMC).

5 Key Project Objectives (Overview only - Details and Measures on following worksheet):

The initial goal focuses on expanding the campus food pantry. This involves implementing improved distribution systems in a food safe manner, enhancing infrastructure for increased student capacity, and establishing comprehensive avenues to promote nutritious foods and education. This phase encompasses farm-to-campus initiatives in partnership with Sostenga Farm, including weekly food boxes, culinary classes, and strategic collaborations with stakeholders for economical and wholesome campus food options.

The secondary goal of this initiative is to combat the stigma linked to food insecurity. Beyond nourishment, the program targets negative effects such as shame, stress, anxiety, and depression associated with hunger. Recognizing food insecurity on campus, Northern is committed to inventive solutions. This involves fostering student involvement, partnering with Swipe Out Hunger, and arranging events to eliminate the stigma around food insecurity among college students.

- 6 For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:

In just over a month, the farm has provided hundreds of pounds of salad greens, squash, tomatoes, and cucumbers.

- 7 Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):

The Governor has provided one time funding through the College Food Security Initiatives at New Mexico's Higher Education Institutions that help support this initiative; however, this past year's grant awarded \$50,000 which does not cover all expenses incurred and is one time funding only.

- 8 Describe Student Population Served (in-state vs out-of-state students):

Close to 90% of the students served come from within a 40 mile radius of NNMC.

- 9 Does the project receive awards, private donations or federal grants? Have you sought out funding from other sources?

2 Project Description/Executive Summary:

The purpose of this program is to engage local youth in arts, cultural engagement and sustainable agriculture. This will be accomplished by the following activities:

1) Begin formation of Communities of Practice (CoPs) for identified areas of youth programming in arts and cultural exploration using current Community Health Ambassador Program (CHAP) as a model.

2) Support sustainable agriculture educational program development. 3) Prepare summer Teen Leadership workshops.

3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):

The program budget will be targeted at procuring services to have dual credit students engaged and mentored in liberal arts programs.

4 Program Mission (Include population served, other demographic information):

Engaging local youth in arts, cultural engagement and sustainable agriculture by working with local partners. K-12 with emphasis in dual credit students will be served.

5 Key Project Objectives (Overview only - Details and Measures on following worksheet):

The key objective is to mentor students with the outcome of engaging them to pursue liberal arts, environmental science, or hospitality education at NNMC upon completion of their high school diploma.

6

For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:

This is a new program. The current funding is being used for an RFP, which is currently being conducted.

7

Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):

The objectives are to retain and recruit additional dual credit students to engage and further their education in the liberal arts, environmental, or hospitality fields.

2 Project Description/Executive Summary:

State funding is to support STEM initiatives for students in Northern New Mexico for the following counties: Rio Arriba, Sandoval, Santa Fe and Taos

3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):

General Fund Appropriation as reflected in Laws of 2024, General Appropriations Act, House Bills 2 and 3, Section 4, Chapter 69. NNMC enters into a contract agreement with a vendor (currently the Institute of Science Education New Mexico). NNMC serves as the Oversight Institution for this appropriation which is disbursed to the contract vendor.

4 Program Mission (Include population served, other demographic information):

The mission is to engage in practical scientific and technological education to continue a successful National Science Foundation pilot program for teenagers in Rio Arriba, Sandoval, Santa Fe, and Taos counties that is provided at no charge and that promotes interest and career opportunities in science, technology, engineering and mathematics.

5 Key Project Objectives (Overview only - Details and Measures on following worksheet):

a) To stimulate and encourage the interest of youth in Northern New Mexico in Science, Technology, Engineering and Mathematics and in career opportunities in those fields; b) To continue a successful a STEM program for teenagers in Rio Arriba, Sandoval, Santa Fe and Taos counties that is provided at no charge and that promotes interest and career opportunities in science, technology, engineering and mathematics

Type of Project Student Support Services

1 Number of years the project has received General Fund support: (Disregard if new program)

0

Increase cell size as necessary for narratives

2 Project Description/Executive Summary:

•The College Assistance Migrant Program (CAMP) is designed to support first-year college students from migrant and seasonal farm working backgrounds in successfully completing their postsecondary education. The program provides comprehensive academic advising, tutoring, mentoring, and financial support, alongside workshops to build college readiness, leadership skills, and career planning. By offering individualized support and fostering a community of peers and mentors, CAMP aims to improve retention and graduation rates while empowering students to overcome barriers associated with their educational and socioeconomic circumstances. eligible students and enhance long-term academic and career outcomes.

•The High School Equivalency Program (HEP) serves migrant and seasonal farmworkers (MSFW) and their families by providing flexible bilingual instruction, computer literacy, and wrap-around supports such as materials, testing, and stipends for transportation, childcare, and basic needs. Through career exploration, job readiness and STEM classes, and individualized guidance for education, employment, and military pathways, HEP helps students earn their HSE credential, build career skills, and engage in cultural and civic activities that strengthen their communities.

3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):

•**CAMP** - The proposed budget allocates funds to ensure the effective delivery of **CAMP** services and support for 30 migrant and seasonal farmworker students annually. Major costs include personnel to manage and deliver program activities, fringe benefits, student stipends, instructional materials, and travel for outreach and professional development. Funds are also budgeted for equipment, tutoring, and other direct student supports. The High School Equivalency Program (HEP) serves migrant and seasonal farmworkers (MSFW) and their families by providing flexible bilingual instruction, computer literacy, and wrap-around supports such as materials, testing, and stipends for transportation, childcare, and basic needs. Through career exploration, job readiness and STEM classes, and individualized guidance for education, employment, and military pathways, HEP helps students earn their HSE credential, build career skills, and engage in cultural and civic activities that strengthen their communities.

•The HEP budget supports flexible, bilingual instruction; computer literacy training; and wrap-around services, including HSE preparation materials, testing, and stipends for transportation, childcare, and basic needs. Funding also covers career exploration, STEM and job readiness classes, interview workshops, and individualized transition guidance.

4 **Program Mission (Include population served, other demographic information):**

•**College Assistance Migrant Program (CAMP)** at Northern New Mexico College (NNMC) is to provide and assist students from migrant and seasonal farmworker backgrounds with a smooth transition to college by offering first-year academic, social, and financial support services. Students will develop the skills necessary to successfully complete college and graduate from NNMC with a two/four year degree

•HEP is intended to assist migratory or seasonal farmworkers—or their immediate family members—who are 16 or older and not currently enrolled in school, in obtaining a high school equivalency credential (HSE, such as a GED). The goal is to help these individuals subsequently: Obtain or upgrade employment, enroll in postsecondary education or training, and/or enter the military.

5 **Key Project Objectives (Overview only - Details and Measures on following worksheet):**

•**CAMP** - Objective 1: The Enrollment of 30 eligible students into the Northern CAMP program each year. Objective 2: 86% of CAMP Students will complete the post-secondary 1st year. Objective 3: 92% of CAMP Students who complete their first academic year of college will continue their post-secondary education.

•HEP - Objective 1: Inform and complete enrollment process for 50 eligible students annually. Objective 2: 69% of students served will attain their HSE diploma. Objective 3: 80% of HSE graduates will be placed in post-secondary education/training, upgraded employment, and/or enlist in a military service.

6 **For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:**

•**CAMP** - Since 2015, the program has supported 30 students annually with academic, financial, and social resources, achieving an average 86% first-year completion rate, 99% second-year persistence, and 88 graduates over five years.

•**HEP** - Over the current five-year grant period, Northern New Mexico College's HEP program has consistently exceeded federal performance targets, showing steady growth since Year One. HSE attainment rose from 40% to 72.6% by Year Four, surpassing the 69% national target, while post-HSE transition rates increased from 89% to 90.57%, well above the 80% benchmark. To date, over 200 participants have earned an HSE and more than 188 have transitioned to education, employment, or training, including roles in government, unions, law enforcement, and Los Alamos National Laboratory. Enrollment grew 42% between summer and spring of the final year despite prior staffing shortages. The program is recognized for its student-centered approach, strong community partnerships, and high referral rates. The primary challenge has been ongoing uncertainty in federal funding, which limits long-term planning and program stability.

- 7 Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):

•**CAMP** - Over the past decade, Northern New Mexico College's College Assistance Migrant Program (CAMP) has served one of the state's most vulnerable populations—migrant and seasonal farmworkers—in five northern counties with high concentrations of Hispanic agricultural workers. The program has supports students annually with academic, financial, and social resources. These outcomes demonstrate CAMP's proven ability to help farmworker students overcome socioeconomic and geographic barriers to earn college degrees.

•**HEP** - Investments will ensure equitable access, improve student outcomes, and strengthen the economic and civic engagement of MSFW communities in the service region.

- 8 Describe Student Population Served (in-state vs out-of-state students):

•**CAMP** Migrant and seasonal farmworkers (in-state)—in five northern counties with high concentrations of Hispanic agricultural workers. Since 2015, the program has supported over 300 students with academic, financial, and social resources.

•**HEP** serves migrant and seasonal farmworkers (MSFW) and their families, all of which are in-state.

- 9 Does the project receive awards, private donations or federal grants? Have you sought out funding from other sources?

Federal funding is anticipated, but no grant award notice has been received, and continuation of support from the U.S. Department of Education is uncertain.

- 10 Medical Projects Only - How many graduates stay and practice in New Mexico?

Type of Project Student Support Services

- 1 Number of years the project has received General Fund support: (Disregard if new program)

0

Increase cell size as necessary for narratives

- 2 Project Description/Executive Summary:

Upward Bound Espanola is a college access program that aims to foster skills and motivation among underserved high school students. Particularly those from low-income families, first-generation college students, rural communities, and high risk for academic failure—so they complete secondary education and enroll in and graduate from postsecondary institutions.

- 3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):

The proposed annual budget will support personnel costs for the Director, College Access Counselor, and part-time support staff (tutors, adjunct instructors, and enrichment teachers)Fringe benefits are calculated per the institution's policy. Travel funds will cover student transportation activities and required professional development conferences. Participant support will provide modest stipends, meals, and transportation assistance to ensure equitable participation in both academic-year and summer components. Supplies and materials will include textbooks, software, and instructional resources to enhance learning. Other direct costs will support enrichment activities designed to broaden students' academic and cultural experiences, including multiple college visits.

- 4 Program Mission (Include population served, other demographic information):

The core mission is to increase high school retention and completion, improve student GPA and SAT test scores, and promote college enrollment and graduation rates among eligible (particularly those from low-income families, first-generation college students, rural communities, and high risk for academic failure participants). UB strives to nurture academic performance, college readiness, and long-term educational attainment.

5 **Key Project Objectives (Overview only - Details and Measures on following worksheet):**

Serve a minimum of 60 students per year with measurable goals of academic performance; secondary school retention and graduation; and postsecondary enrollment and graduation.

6 **For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:**

In the previous fiscal year, Upward Bound Española saw notable successes in preparing scholars for college. Ninety-two percent of the Class of 2024 enrolled full-time in college the fall after graduation, with five earning associate degrees before completing high school, while 100 percent of Class of 2025 have committed to a college for the fall, with four earning associate degrees and one a certificate. Current seniors have visited more than a dozen out-of-state colleges in addition to in-state institutions, expanding their horizons and confidence in pursuing selective opportunities. The program's emphasis on dual credit courses continues to set it apart, with students taking significantly more senior-year coursework than their peers. Challenges persist in addressing the systemic barriers faced by our scholars, all of whom attend a Title I rural high school with historically low graduation and college-going rates.

7 **Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):**

Upward Bound Española provides a life-changing pathway for low-income and potential first-generation college-bound students in the Española Valley. As the only program of its kind in the region, it advances statewide priorities for educational equity by ensuring rigorous academic preparation and expanding postsecondary access, including to selective out-of-state institutions, through travel, advising, and intensive coursework. The program's outcomes exceed local norms, contributing to statewide goals of improving college enrollment and degree attainment among historically underserved populations.

8 **Describe Student Population Served (in-state vs out-of-state students):**

The program serves a minimum of 60 students annually from Española Valley High School, the vast majority of whom are from rural

9 **Does the project receive awards, private donations or federal grants? Have you sought out funding from other sources?**

Federal funding is anticipated, but no grant award notice has been received, and continuation of support from the U.S. Department of Education is uncertain.

2 Project Description/Executive Summary:

The Career Services Center is committed to guiding students through every step of their career pathways. We offer resources for career exploration, planning, and development; internships and other earn-while-you-learn opportunities; job search, graduate school admissions, resume, and interview skills training. We also provide professional development workshops and career fairs. Our partnership with <https://nnmc.goeducate.com/> expands this support and links our programs to internship and job opportunities for students.

3 Budget Narrative (Overview only - Budget Detail follows on next worksheet):

Northern New Mexico College's Career Center provides career counseling, professional development workshops, employer engagement, and internship opportunities for primarily in-state, first-generation, Hispanic, and Native American students. While we have laid a strong foundation, current funding is insufficient to sustain and grow a robust Career Center that can meet increasing student demand. The program will leverage four full-time equivalent (FTE) positions to expand capacity, enhance programming, and provide consistent, high-quality services. Additional investment will support these staffing needs along with technology upgrades, employer engagement activities, and stipends for interns in nonprofit and small business placements.

4 Program Mission (Include population served, other demographic information):

At Northern New Mexico College, Success Matters! We provide a variety of employment and career readiness services and resources to help current students and alumni obtain gainful employment. Whether students are looking for part-time jobs or an internship opportunity while they're attending classes, or they've graduated and are ready to find their dream job, NNMC's Career Center will help students on their journey to success.

We serve a diverse demographic of students at Northern New Mexico College, specifically focused on our Hispanic and Native American student populations.

5 **Key Project Objectives (Overview only - Details and Measures on following worksheet):**

Expand Career Exploration & Readiness – Provide career assessments, guidance, and personalized planning to help students identify interests, skills, and pathways aligned with workforce needs.

6 For existing projects, describe major accomplishments in a single paragraph, and if applicable, any obstacles encountered the previous fiscal year. For new projects, identify the top objectives and challenges for the current fiscal year:

NNMC's Career Center and New Mexico Higher Education Internship Program achieved transformative results, expanding from only a handful of annual placements to 25 internships serving primarily first-generation, Hispanic, and Native American students. Interns gained hands-on experience in high-demand fields such as STEM, Film & Digital Media Arts, Business, Environmental Science, and Allied Health, supported by partnerships with over a dozen local employers and organizations. Mentor feedback indicated significant growth in critical areas including communication, teamwork, cultural awareness, and professional adaptability, with four interns receiving full-time job offers upon program completion. This rapid expansion of career readiness and workforce connections has strengthened pathways from education to employment while directly supporting Northern New Mexico's economic and community development.

7 **Describe the Project Impact (Statewide impact, Governor's initiatives, and/or specific student outcomes):**

The NNMC Career Center and Internship Program has had a measurable and immediate impact on students, employers, and the regional workforce. By providing structured, career-focused experiences for first-generation, Hispanic, and Native American students, the program has expanded access to professional networks, skill-building opportunities, and direct pathways to employment. Internships have not only enhanced technical expertise in fields like STEM, healthcare, and digital media, but also fostered critical soft skills—communication, leadership, teamwork, and cultural competency—identified by employers as essential for workplace success.

8 **Describe Student Population Served (in-state vs out-of-state students):**

Northern New Mexico College serves a diverse, primarily in-state student population, with the majority of students coming from rural and underserved communities across Northern New Mexico. The student body is predominantly Hispanic and Native American, reflecting the region's cultural heritage, and includes a high percentage of first-generation college students. Many students balance academic commitments with work and family responsibilities, and a significant portion are from low-income households. This unique demographic profile shapes the College's commitment to providing accessible, culturally responsive career services and work-based learning opportunities that address both educational and economic needs within the state.

- 9 Does the project receive awards, private donations or federal grants? Have you sought out funding from other sources?

The NNMC Career Center has benefited from both Title V funding and support from the Regional Development Corporation, which have been instrumental in establishing foundational career services and internship programs. However, these funding sources alone are insufficient to fully support the operational and programmatic needs of a comprehensive and robust Career Center. Expanding services to meet growing student demand—including enhanced career counseling, professional development workshops, employer partnerships, and expanded internship opportunities—requires additional investment.

- 10 Medical Projects Only - How many graduates stay and practice in New Mexico?

# NORTHERN New Mexico College

## Memorandum

**To:** Board of Regents, Northern New Mexico College  
**From:** President Balderas  
**Date:** August 29, 2025  
**Re:** Ratification of Collective Bargaining Agreement between Northern New Mexico College and the Full-Time Faculty Bargaining Unit

---

*Issue:* The Collective Bargaining Agreement between the College and the Full-time Faculty Bargaining Unit provides that Article 36 of the agreement is subject to negotiation every year it is in effect. The College and the Full-Time Faculty bargaining unit have completed negotiations and have agreed to the following substantive modifications to Article 36, which are also reflected in the attached redlined document:

- Article 36.2: updated the salary matrix to reflect the 4% increase appropriated by 2025 HB2;
- Article 36.2: updated the existing language to reflect that the Office of the Provost will work with the bargaining unit to develop a salary study to define Full-Time Professor compensation prior to February 1, 2026;
- Article 36.3: updated the language and matrix to reflect the compensation language in the adjunct CBA;
- Article 36.5: updated the language to reflect elimination of negative proration for overload and calculation for increase for courses over 20 students;
- Article 36.11: updated the language to reflect application of retention bonus for faculty serving as PI on a secured or assigned grant and to reflect increase in percentage of bonus where there are multiple PIs on a single grant.

The remaining articles in the existing agreement remain unchanged and will persist into the new agreement, which will be effective until June 30, 2027.

In addition to the negotiation of Article 36, the Full-Time Faculty bargaining unit and the Executive Team entered into three MOUs that implicate the collective bargaining unit:

- Article 16.3(D), Faculty Responsibilities and Duties: the parties agreed to place this provision regarding attendance-taking into abeyance to allow Student Services to develop a procedure to collect and utilize attendance data;
- Article 20.5, Faculty Rights to Tenure: the parties agreed to update the provisions regarding the creation of dossier to provide for submission of an electronic dossier;
- Article 24, Sick Leave Bank: the parties agreed to substitute the sick leave bank program articulated in the collective bargaining agreement for the sick leave donation program

that was recently approved by the Board in the recent Non-Exempt Staff collective bargaining agreement.

*Recommendation:* College administration recommends that the Board of Regents agree to the updated terms, as described.

## Article 36. COMPENSATION

36.1 Faculty salary increases will be negotiated by the College and the Federation consistent with an effort to reduce salary compression between the ranks, recognize differences in market conditions between disciplines, recognize years of service to the College, recognize years in rank, and address, as appropriate, any other conditions specific to individual circumstances. The shared goal of the College and the Federation is to reach and maintain parity in average salaries with our comparison institutions.

36.2 The parties agree on the Salary Matrix below. The table below provides the minimum salaries and are based on terminal degree holders and 9-month contracts. The matrix also reflects the different fields, rank, years of service in the specific rank. Any credentials below the terminal degree shall not be compensated at the terminal degree level. The Salary Matrix for faculty below the terminal degree shall be calculated by multiplying the corresponding cell in the matrix by a 0.85 factor.

For Fiscal Year 2026, bargaining unit employees will receive a 4% increase to the base rate of pay and the matrix above reflects this change.

There is presently no additional remuneration when moving from Associate Professor to Full Professor. A salary study will be completed by the Office of the Provost by February 01, 2026, specific to setting the development of a salary scale for Full Professor rank. The study will consider peer institutions of similar size, disciplines, Carnegie classification, enrollment and budget, and shall consider the market cost of living. Data gathered in this study will be shared with NFEF and presented to the Faculty Senate for consideration. Any future salary increases associated with a promotion to Full Professor shall be

contingent on sufficient appropriations or other revenues to fund these positions. Full Professor compensation will also be considered in conjunction with the College's other financial priorities such as staff and adjunct faculty compensation. Adjustments to Full Professor compensation will be reflected in revisions to the Full Professor column of the Salary Matrix.

Nursing faculty will be provided an additional stipend pending continued funding from the State of New Mexico Nursing RPSP as follows:

- If a full-time nursing faculty member employed as of the first week of the academic year, remains employed until the end of the fall semester they will be provided a \$3500 stipend on the second paycheck in January.
- If a full-time nursing faculty member employed as of the first week of the academic year, remains employed until the end of the spring semester, they will be provided with a \$3500 stipend on the first paycheck in June.

36.3 Compensation for faculty teaching overload and summer session will be based on the following matrix showing rates per credit hour. Any credentials in between the master's degree and the doctorate degree will not be compensated at the doctorate level. A Special Program is defined as a discipline where the market value demands higher compensation. This includes courses in the following programs: Electrical Engineering, Information Technology, Mechanical Engineering, Business Administration, Nursing, and Nuclear Radiation.

	Bachelor	Master	PhD
Theory	\$813	\$871	\$929
Non-special (Studio/Lab)	\$1182	\$1269	\$1353
Special (Studio/Lab)	\$2184	\$2340	\$2498

36.4 Under normal circumstances, faculty overloads will be limited to eight (8) credit hours per academic year, not including summer session teaching.

36.5 For online overload courses (OL, BOL only) with greater than twenty (20) students, the compensation will be increased by multiplying the base pay by a weighting factor (WF). The weighting factor is calculated by taking the enrolled number of students divided by twenty (20). For example, an overload course with 22 students would use a weighting factor of  $22/20 = 1.1$ .

The number of enrolled students that will be used for the calculation is the one on the second Monday of classes. For eight-week courses or summer terms, the number of enrolled students that will be used for the calculation is the one on the first Thursday of classes. Faculty shall only teach these modalities if they have completed the online credentialing process approved by the Office of Distance Education.

36.6 Overload online courses will be eligible for an additional stipend:

- For fully online asynchronous courses, faculty shall only teach these modalities if they have completed the learning management system training or online teaching experience is demonstrated and approved by the Chair/Dean and the Provost. The stipend rate shall be paid at \$150 per credit hour.

**Deleted:** With regards to the Full Professorship, on or before May 1, 2025, the Office of the Provost and a representative of the bargaining unit shall complete a faculty salary study of peer institutions of similar size, disciplines, Carnegie classification, enrollment and budget, and shall consider the market cost of living. Data gathered in this study will be shared with NFEF. Results of the study will be presented to the Faculty Senate at its May 2, 2025, meeting. The results of any such studies shall not be binding upon the College but shall only be used as consideration for the development of a salary scale for Full Professor rank, and any future salary increase associated with a promotion to the rank of Full Professor shall also be contingent on sufficient appropriations or other revenues to actually fund Full Professor positions. Full Professor compensation will also be considered in conjunction with the College's other financial priorities such as staff and adjunct faculty compensation.

36.7 Courses taught outside of a Faculty's home department will be paid at the adjunct rate.

36.8 Faculty members on a 9-month contract who receive contracts for additional months of service related to their primary duties will be paid pro-rated (1/9) of their base salary, for each additional month of service (no more than 3 additional months).

36.9 Faculty non-teaching overloads will be compensated based on the contract requirements approved by the Chair, Dean, and Provost.

36.10 Salaries funded by Federal Grants and Federal Contracts are regulated by the Code of Federal Regulations.

36.11 Faculty who secure and serve as the PI for a grant that awards indirect costs will be provided a retention bonus of 5% of the indirect cost of the grant amount for the duration of the grant unless prohibited by the granting agency or other federal and state regulations. This bonus will accumulate as indirect costs are billed through the academic year, and it will be paid at the end of the academic year. If multiple Faculty secure and serve as PIs on the same grant, those Faculty will be eligible to share a retention bonus of 7%, presumed to be shared equally unless otherwise agreed upon by those faculty members.

In the event that a Faculty member serves as PI on a grant that they did not secure, the Chair of their department, with the Provost's approval, may award the retention bonus to that Faculty member for their service as PI on the grant.

36.12 In future salary negotiations, the College and members from the collective bargaining unit commit to exploring equitable distributions of salary increases which may remedy inequitable distributions and/or salary structures implemented in previous years.

### **Memorandum of Understanding**

WHEREAS, Northern New Mexico College (College) and NFEE Full Time Faculty Union (Union) have a current Collective Bargaining Agreement (the Agreement) that is effective through June 30, 2027; and

WHEREAS Article 24 of the Agreement provides for the administration of a Sick Leave Bank; and

WHEREAS, the parties mutually agree that the administration of Article 24 of the Agreement is impracticable at this time; and

WHEREAS, the parties agree to amend Article 24 of the Agreement to provide for the administration of a Sick Leave Donation program to replace the previously agreed upon Sick Leave Bank currently articulated in Article 24 of the Agreement;

NOW THEREFORE, the College and the Union, agree to the following amendment to Article 24 of the Agreement, effective July 18, 2025:

#### **Article 24. SICK LEAVE DONATION**

##### **24.1 Purpose**

- a. To provide a process whereby participating full-time faculty members of Northern New Mexico College may request additional sick leave through solicited donations from other eligible College employees due to a catastrophic situation involving their own medical condition, as defined in this Article.

##### **24.2 Eligibility**

- a. Only faculty who have been employed for one academic year may be eligible to receive sick leave donations.
- b. Only faculty who have a minimum of eighty (80) hours of accumulated sick leave may donate solicited sick leave.
- c. Application for the solicitation of sick leave donation shall not be approved until the faculty member has less than eighty (80) hours remaining of sick leave, and is expected to exhaust their balance based on the information provided in their Medical Certification Form.
- d. The maximum sick leave that a faculty member may request at any one time is forty (40) days (280 hours) based on a seven-hour day.
- e. To be eligible for donated sick leave, a faculty member must demonstrate that they are experiencing a catastrophic situation. For purposes of this Article, a catastrophic situation shall mean a severe illness or injury requiring prolonged hospitalization or recovery and incapacitating the person from working, creating a financial hardship. Such injury or illness often makes exceptional demands on patients, caregivers, families, and healthcare resources. In general, an illness or injury that results in a medical condition that a health care provider has certified is likely to result in a loss of 30 or more workdays.

##### **24.3 Application for Sick Leave Donations**

- a. Northern New Mexico College has a standing committee to review applications to solicit sick leave donations and to make a determination to either approve or disapprove a request. This standing committee is comprised of the Human Resources Office (who will serve as chair), a

representative of the Union, and the Chair of the Department where the faculty member who is requesting leave is employed.

- b. Eligible faculty may apply for solicitations for donations of sick leave by completing a Request for Solicitation of Sick Leave Donations form and submitting it to the Human Resources Office.
- c. The request must be accompanied the Medical Certification Form properly completed by faculty member's healthcare provider.
- d. Upon receipt of a request, the committee will evaluate the request within five (5) business days, and, if the request meets eligibility requirements, vote to approve or disapprove the request.
- e. If the request for solicitation of additional sick leave is approved, the committee shall notify the employee of the decision in writing and indicate the total amount of sick leave hours which were approved. If the request for additional sick leave is disapproved, the committee shall notify the employee in writing of the reason(s) for the disapproval. The decision of the committee is final, but the employee may reapply for reconsideration if they can provide any new information or circumstances for the committee's consideration.
- f. Upon approval for solicitation of sick leave donations, the Human Resources Office shall broadcast an email to all eligible college employees soliciting the donation of sick leave. No personal identifying information, or any information about the application will be included in the communication from the Human Resources Office.
- g. If the solicitation for sick leave donations does not cover the amount of additional sick leave awarded by the committee, the faculty member shall only receive the amount donated.
- h. A faculty member who receives donated sick leave must exhaust all of their own leave, of any kind, prior to using any donated sick leave.
- i. If donated sick leave is not utilized, the donated sick leave shall be returned to the faculty member who made the donation.

FURTHERMORE, the College agrees to grant bargaining unit members who were eligible to participate in the previously articulated Sick Leave Bank program for Academic Years 2018-2019, 2019-2020, and 2020-2021 a one-time allocation of 28 hours of additional sick leave, up to the maximum amount of eligible sick leave.

## Memorandum

**To:** Board of Regents, Northern New Mexico College  
**From:** President Balderas  
**Date:** August 29, 2025  
**Re:** Ratification of Collective Bargaining Agreement between Northern New Mexico College and the Adjunct Faculty Bargaining Unit

---

*Issue:* The Collective Bargaining Agreement between the College and the Adjunct Faculty Bargaining Unit expired on June 30, 2025. Pursuant to the terms of the agreement, the entire Collective Bargaining Agreement was open for negotiation this year. The College and the Adjunct Faculty have completed negotiations and have agreed to the following substantive modifications to the agreement, which are also reflected in the attached redlined document:

- Article 23, Health and Safety:
  - amended the language to reflect the updated language in the Health and Safety Article in the full-time faculty collective bargaining agreement;
  - also added language to reaffirm that adjunct faculty will receive emergency notifications along with other faculty and staff;
- Article 24, Tuition Waiver: updated the language to include waiving of fees in addition to existing tuition waiver;
- Article 25, Salary procedure:
  - 25.1: updated the language to reaffirm that adjuncts are paid on a the biweekly schedule published in the college's payroll calendar
  - 25.2: updated language to reflect that adjuncts will receive letters of appointment before the start of the semester in order to identify errors, ensure compliance with applicable state employment laws and the pay schedule;
- Article 26, Compensation:
  - 26.1: updated the language to eliminate reference to a 2018 salary study that was used as the basis for defining "special" in the pay matrix;
  - 26.1: updated the pay matrix to reflect a 7% increase in per credit hour pay for Theory courses and 4% increase in per credit hour pay for Studio/Lab and Special courses;
  - 26.1: incorporated language from the full-time faculty collective bargaining unit that the college and the unit are committed to further examination of equitable distribution of wage increases, as well as to examine compensation for co-requisite courses, and finally to examine the pay matrix itself in consideration of possible other models for compensation;
  - 26.2: amended subarticle to eliminate negative proration;

- Article 33, Agreement Duration: updated language to agree to extend this collective bargaining agreement by one year, rather than three, so that the full agreement will be subject to negotiation again next year and ultimately will put the adjunct collective bargaining agreement on its own three year cycle and so that each of the three collective bargaining agreements will be separate full negotiations, as was originally intended by the various units and the college.

The remaining articles in the existing agreement remain unchanged and will persist into the new agreement, which will be effective until June 30, 2026.

*Recommendation:* College administration recommends that the Board of Regents agree to the updated terms, as described, of the new full collective bargaining agreement.

### Article 23. HEALTH AND SAFETY

The College and Faculty will exercise their respective responsibilities under occupational safety and health standards, to create a safe and healthful environment in accordance with applicable state and federal law.

Whenever an employee observes a condition which they feel represents a violation of safety or health rules and regulations or which is an unreasonable hazard to persons or property, the employee shall report such observation to the appropriate administrator, which will be promptly investigated.

Whenever a faculty member believes in good faith that they are being required to work under unhealthy or unsafe conditions, they shall notify the appropriate administrator. The appropriate administrator shall investigate as soon as possible the alleged unhealthy or unsafe conditions and shall immediately communicate with the employee, in writing, the results of such an investigation and, if deemed necessary, the steps that shall be taken to correct the condition. An employee may request in writing a temporary reassignment (e.g. change of office, or modifications to tasks) when they believe in good faith that their present assignment presents a clear danger to their health and safety. The appropriate administrator shall promptly respond to such a request in writing. Such a request shall not be unreasonably denied during the preliminary aspect of any investigation. If such an unsafe or unhealthy condition is found during such an investigation, the temporary reassignment shall continue until a remedy is implemented.

All work-related injuries and illnesses shall be reported immediately to the appropriate administrator.

The College will organize and maintain a safety committee that advises on health and safety issues affecting employees covered by this Agreement and shall include as a member of that committee a designee of the bargaining unit. The committee will advise the College on policies and procedures, review health and safety concerns and suggestions, and provide recommendations regarding obtaining, purchasing, operating, or storing hazardous materials or equipment, and the procurement and use of appropriate personal protective equipment.

In the case of an emergency, adjunct faculty will be promptly notified via the regular communicative channels (phone, email) inclusive of any weather events, lockdowns, shelter-in-place orders, or otherwise.

Article 25. SALARY PROCEDURE

25.1 Adjunct Faculty shall be paid on a biweekly basis, with paydays occurring every other Friday according to the pay schedule that is published in the college's yearly payroll calendar and available on the college website. The LETTER OF APPOINTMENT (LOA) PROCESS, document will be made, available in the Human Resources Payroll Office, who will be the custodian of said document. Any changes to this process may be made in a collaborative effort between Human Resources (HR), Adjunct Faculty, the Provost, Department Chairs, and the Federation to improve the process as well as address payroll system limitations, new automation features, or other Human Resources/Payroll related issues. These changes will be published as they are implemented, and all Adjunct Faculty will be promptly notified of all changes.

25.2 LOA's shall be delivered to adjunct faculty prior to the start of the semester (inclusive of second 8-week semesters) in order to enable adjunct faculty to identify any potential errors and in order to ensure regular pay intervals are met according to all applicable New Mexico State Employment and Wage laws.

25.3 Faculty Members who received per diem when an overnight stay is not required will be taxed on the per diem per IRS Regulations.

Deleted: The LOA development process should begin prior to the semester in sufficient time, as dictated in the LOA PROCESS, to allow for Dean and Provost approval, Budget review/approval, Human Resources (HR) and Adjunct Faculty identification of any potential errors, and issuance of the LOA to the Adjunct.

## Article 26. COMPENSATION

26.1 Compensation for adjunct faculty will be based on the following matrix showing rates per credit hour. Any credentials between the master's degree and the doctorate degree will not be compensated at the doctorate level.

	Bachelor	Master	PhD
Theory	\$ 813	\$871	\$929
Non-special (Studio/Lab)	\$1182	\$1269	\$1353
Special (Studio/Lab)	\$2184	\$2340	\$2498

Additionally, the College and members from the collective bargaining unit commit to exploring equitable distributions of wage increases which may remedy inequitable distributions or salary structures implemented in previous years whether by the defunct 2018 salary study previously articulated in the collective bargaining agreement, co-requisite instruction, or otherwise.

The College and members from the collective bargaining unit also commit to exploring amending the matrix to establish base rates of pay based on the subject matter of instruction.

26.2 For courses (OL, OLP, BOL only) under twenty (20) students, the above matrix will be used. For courses with enrollments greater than twenty (20) students, compensation will be increased by multiplying the base pay by a weighting factor (WF). The weighting factor is calculated by taking the enrolled number of students divided by twenty (20). For example, an overload course with 22 students would use a weighting factor of  $22/20 = 1.1$ .

The number of enrolled students that will be used for the calculation is the one on the second Monday of classes. For eight-week courses or summer terms, the number of enrolled students that will be used for the calculation is the one on the first Thursday of classes.

26.3 Online courses will be eligible for an additional stipend:

- A. For fully online asynchronous courses (OLP and OL only), adjunct faculty shall only teach these modalities if they have completed the learning management system training or online teaching experience is demonstrated and approved by the Chair/Dean and the Provost. In addition, courses taught in these modalities must be approved by the Office of Distance Education for the faculty member to receive any online stipend. The stipend rate shall be paid at \$150 per credit hour.

**Deleted:** Any credentials in between the master's degree and the doctorate degree will not be compensated at the doctorate level.

**Deleted:** A Special Program is defined as a discipline where the market value according to the salary study (refer to <https://nnmc.edu/wp-content/uploads/2018/12/FacultySalaryAnalysisv2.pdf>) demands higher compensation. This includes courses in the following programs: Electrical Engineering, Information Technology, Mechanical Engineering, Business Administration, Nursing, and Nuclear Radiation.

Compensation for adjunct faculty will be based on the following matrix showing rates per credit hour. Any credentials between the master's degree and the doctorate degree will not be compensated at the doctorate level.

**Deleted:** For courses (OL, OLP, BOL only) with enrollments between ten (10) and twenty (20) students, the above matrix will be used. When the course has less than ten (10) students or more than twenty (20) students, a proportionate rate will be used. For courses with less than 5 students, 40% of the matrix rate will be applied, for courses between five (5) and nine (9) students, the matrix value above will be multiplied by the factor equivalent to the value of the division of the number of enrolled students divided by 10. For courses with more than twenty (20) students, the matrix above will be multiplied by the factor equivalent to the excess of students beyond twenty (20), i.e., the enrolled number of students minus twenty (20), divided by twenty (20). A retention bonus of \$250 will be granted to Adjunct Faculty who agree to teach classes of less than 5 students. This bonus will be paid after the completion of the course.

**Deleted:** For the extraordinary case when a contract, appropriation, or grant supports the offering of a course, the Provost may waive the pro-rated payment for courses with less than 10 students. In such a case, the faculty will be paid according to the matrix above.

**Deleted:** Proration factor for low enrollment

B. For blended courses (BOL), faculty shall only teach this modality if they have completed the learning management system training or online teaching experience is demonstrated and approved by the Chair/Dean and the Provost. In addition, courses taught in these modalities must be approved by the Office of Distance Education for the faculty member to receive any online stipend. The stipend rate shall be paid at \$75 per credit hour.

C. ~~Prior to the next open negotiation of the collective bargaining agreement,~~ management will create an internal peer review process that includes Adjunct Faculty in order to improve the effectiveness and efficiency of the approval process for online courses.

26.4 School District employees who teach dual credit courses at High School facilities are not adjunct faculty members under this Agreement and are not eligible to any compensation described in sections 26.1-26.3. These School District employees will remain employees and agents of the School District and are not employees or agents of the College. The College may separately choose to provide stipends to those School District employees.

26.5 Salaries funded by Federal Grants and Federal Contracts are regulated by the Code of Federal Regulations.

26.6 Adjunct Faculty serving as Faculty Senators will be compensated \$400 per semester for the duration of this agreement to attend Faculty Senate meetings. Adjunct Faculty members that serve as senators shall be limited to no more than three adjuncts per Faculty Senate meeting.

26.7 Adjunct faculty will be eligible for an \$80 stipend per academic year if they participate in at least 80% of the meetings for the following committees: Academic Standards Committee and the Undergraduate Curriculum Committee. The following conditions apply:

a) Only one adjunct faculty member per academic department in each of the committees can participate.

b.) Only two adjunct faculty members per committee will be allowed to receive the stipend.

The chair of the committee will determine which adjunct faculty members will become part of the committee in the case that several adjunct faculty members sign up for the committee.

26.8 The President will continue to advocate to the Legislature to prioritize funding and resources for Adjunct Faculty. Advocacy efforts will be made transparent to Adjunct Faculty and the Federation.

**Article 29. AGREEMENT COPIES**

29.1 The parties shall print their own copies of this agreement.

29.2 This agreement shall be posted on the College's website and a searchable version will be shared with the Federation and members of the bargaining unit.

29.3 A searchable and editable version of this agreement will be provided to the Federation and members of the bargaining unit during the negotiation period.

## 32. AGREEMENT DURATION

32.1 All articles in this Agreement shall become effective upon signature of the authorized representatives of the parties, after ratification by the Federation membership and subsequent approval by the College Board of Regents, and shall remain in effect through June 30, 2026, subject to applicable state laws.

Deleted: 5

32.2 Every three years the entire Agreement shall be open for renegotiation. Every year Article 26 (COMPENSATION) may be opened for negotiations by either party. In the event that the State of New Mexico authorizes a salary increase, then Article 20 (WORKLOAD) shall be negotiated.

32.3 Article 26 (COMPENSATION) shall be in effect until June 30, 2026,

Deleted: 5

32.4 As a one-time exception to 32.2 and in order to return this Agreement to a staggered three-year schedule in relation to the Staff and Full Time Faculty negotiations, this Agreement will reopen in full in 2026, after which article 32.4 will be annulled.

## ARTICLE 1: NAME

The name of the organization is the **Northern New Mexico College Staff Association**.

---

## ARTICLE 2: STATEMENT OF PURPOSE

### SECTION 1. PURPOSE

The purpose of the NNMC Staff Association is to represent the interests of all staff and serve as a vital advisory body on matters related to the general welfare, success, and engagement of staff at Northern New Mexico College. The Staff Association shall serve as a representative voice for NNMC staff in communication with college leadership.

### SECTION 2. AUTHORITY

The Staff Association does not replace or override NNMC policies and procedures but may make recommendations for their adoption or amendment. The Association may also advocate for improvements in working conditions, compensation, and staff engagement. The Association shall not override collective bargaining agreements or union representation where applicable, and does not have authority over matters covered by existing labor contracts.

---

## ARTICLE 3: MEMBERSHIP

### SECTION 1. ELIGIBLE STAFF

- A. Any staff member employed at NNMC categorized as Staff per NNMC job category, in a regular, contract, or term position at least half-time, at the director level and below, and who has completed six months of continuous employment, is eligible for Staff Association membership.
  - B. Staff with faculty appointments will be considered staff for the purposes of Association eligibility..
- 

## ARTICLE 4: CONSTITUTION AND AMENDMENTS

### SECTION 1. CONSTITUTION RATIFICATION

This constitution shall take effect upon:

- The majority (51%) approval by Staff Association members as determined by votes cast.
- Final approval by the NNMC Board of Regents

### SECTION 2. AMENDMENTS

Amendments may be proposed at regular Association or Senate meetings by any staff member. Amendments require:

- A broadcast to all staff with the proposed amendment, and no action can be taken until at least one subsequent meeting
- Majority approval (51%) of the Staff Association members as determined by votes cast.

## **Bylaw I: Membership**

All eligible staff members are considered part of the Staff Association and may participate in Association and Senate activities, meetings, and elections.

## **Bylaw II: Governance**

The governing and decision-making body of the Staff Association shall be known as the Staff Senate, composed of elected representatives from across college divisions.

1. **Terms:** Senators serve two-year staggered terms. One-half of the Senate is up for election every year. This system ensures continuity by preventing a complete turnover of Senate membership in any single election.
  2. **Vacancies:** If any area is unable to nominate and elect a representative or a vacancy occurs, this senate seat will remain vacant until a representative from that area can be selected and appointed by the Senate.
  3. **Nomination Process:** Open nominations for officers will be solicited via a Google Form or equivalent online tool.
  4. **Voting:** All members of the Staff Association are eligible to vote in Senate elections but may only vote once for a representative from their area. In the case of a tie, each area will determine the outcome. Staff may not serve on both the Faculty Senate and the Staff Senate simultaneously.
  5. **Elections:** Elections will be held annually during Fall Convocation week.
- 

## **Bylaw III: Representation**

For the purposes of the Senate, the following administrative units will be termed "areas" and will each be represented by a Senator, to be elected by members of that area, resulting in a total of 11 Senators.

1. **Student Services** – Admissions, Advisement, Registrar, Financial Aid, Accessibility Resource Center (ARC), and Career Services
2. **Student Affairs** – Student Life, Veterans, Native American Student Center (NASC), Counseling and Student Support Center (CASSC)
3. **Auxiliary Services** – Ben Lujan Library, Institutional Research (IR), Assessment, Center for Teaching and Learning (CTL), Events, Adult Education/Continuing Education, Small Business Development Center (SBDC)
4. **Information Technology (IT)**
5. **Business Office and Human Resources**
6. **Administrative Assistants (college-wide)**
7. **Grants** – High School Equivalency Program (HEP), College Assistance Migrant Program (CAMP), Upward Bound (UB), Educational Opportunity Center (EOC), Title V, Title III

## **Bylaw IV: Officers**

1. **Officers:** The Senate shall elect from among its members the following officers:
    - **President**
    - **Vice-President**
    - **Secretary/Treasurer**
  2. **Terms:** Officers serve one-year terms, renewable up to three consecutive years.
  3. **Vacancies:** Officer positions will be filled by election at the next regular meeting of the Senate. In the event of a vacancy in the Presidency, the Vice President becomes President, and an election is held to fill the Vice-Presidential position. All elected senators present at the meeting are eligible to vote in Officer elections by secret ballot (may be electronic).
- 

## **Bylaw V: Duties of the Officers**

1. **The President of the Senate shall:**
    - Preside at all meetings of the Staff Senate.
    - Prepare an agenda for each meeting, in consultation with other Senate officers.
    - Appoint members to ad hoc committees upon approval of a majority of the Senate members at any meeting.
    - Be the official representative of the Staff Senate at the NNMC Board of Regents meetings and other meetings of concern to staff members.
    - Be a liaison to the President of the College and the NNMC Board of Regents in matters pertaining to the Staff.
  2. **The Vice President of the Staff Senate shall:**
    - Perform the duties of the Staff Senate President during their absence or disability.
    - Conduct all elections.
    - Perform other duties as authorized by the President of the Staff Senate.
  3. **The Secretary-Treasurer of the Staff Senate shall:**
    - Keep a record of the meeting proceedings. Distribute minutes to the Staff via the Staff Senate email.
    - Supervise the maintenance of all records.
    - Distribute the agenda and minutes to all staff members at least five business days before the scheduled Senate meeting. Be responsible for all correspondence.
    - Determine if a quorum is present at all Staff Senate meetings and retain all sign-in sheets.
    - Collect and disburse monies as approved by the membership and maintain the records thereof.
    - Perform other duties as authorized by the President of the Staff Senate.
- 

## **Bylaw VI: Meetings**

2. A Quorum is defined as a simple majority of the current Senate members.
  3. Additional meetings may be called by the Officers or a quorum of the Senate.
  4. Meetings are open to all staff unless otherwise stated.
  5. The following persons shall have a standing invitation to attend all meetings of the Senate, with the privilege of the floor but not of voting: the President of the College, the Provost, representatives of the Faculty Senate, Student Senate.
  6. The President of the Senate may invite other persons to a meeting of the Staff Senate if the presence of such a person is deemed important for the discussion of an agenda item. These persons shall have the privilege of the floor but not of voting.
  7. Occasionally, the Staff Senate might encounter issues that require a closed meeting, with only the Senators, officers, and specific invitees in attendance. A motion and vote of the Senate is required to close a meeting. At the conclusion of the sensitive portion of the meeting, a motion and vote will reopen the meeting. The President will determine whether minutes should be taken during the closed portion of the meeting, based on the nature of the issue under discussion.
  8. Meetings will be held according to the most current edition of Robert's Rules of Order.
- 

## Bylaw VII: Committees

1. **Standing Committees:** The following committees shall operate under the Staff Senate.
    - **Executive:** Comprised of the President, Vice-President, and Secretary/Treasurer
    - **President's Staff Advisory Committee (PSAC):** members to serve on the President's Staff Advisory Committee and **regularly report and advise the executive leadership team.** This committee shall include the President and two Senators as elected by the Senate in the first meeting of the year. No more than one member of any area may be represented.
    - **Personnel:** To address and advise on issues related to Classification and Compensation, Staff Handbook, Performance Evaluations, and Organizational Structure
    - **Policy + Procedures:** To Be Determined
    - **Space / Infrastructure / Beautification:** To Be Determined
    - **Budget:** To Be Determined
    - **Health, Safety, and Campus Climate:** To Be Determined
  2. **Ad Hoc committees** may be established by the President of the Senate or a majority vote of the Senate.
  3. **Committee Chairs:** The President shall appoint a temporary chair to organize the first meeting and hold elections for a permanent chair of each committee.
  4. **Committee Structure:** Committee structure and status (*ad hoc* or standing) can be modified by a majority of the Senate.
- 

## Bylaw VIII: Committee Structure

Staff committees will be the primary tool for the Staff Senate to accomplish its goals. Staff members shall be permitted to choose the committees they wish to join during an open sign-up session at biannual Staff Association meetings. If a committee is short-handed, the Senate can request additional support for that committee.

1. **Committee membership:** All association members can sign up for committee membership at the annual Staff Association meeting in the Fall. Association members are eligible to serve on multiple committees simultaneously.

2. **Committee chairs** are required to provide a report to the Senate at regular meetings. Committee chairs are allocated one vote (if not a Senator) at Senate meetings. Each person is allowed a maximum of one vote, regardless of position. If there are co-chairs, the vote is shared between them.
  3. **Chair Terms:** Chair terms are three years and they may serve multiple terms.
  4. **Committee recommendations:** Committee Chairs shall submit all recommendations, conclusions, reports, actions or other decisions to the Staff Senate for approval or rejection. Committee actions not approved must be returned to the originating committee. Upon approval, the Senate shall determine the appropriate course of action for committee recommendations.
  5. **Chairs for new committees** are responsible for developing official committee duties and the scope of work is subject to approval by the Senate.
- 

## Bylaw IX: Communication Plan

The Staff Senate will maintain a communication plan that includes:

1. Timely meeting notices and minutes
  2. Regular updates via email, newsletters, or an internal website
- 

## Bylaw X: Amendments

Proposed amendments to these bylaws must be submitted in writing and broadcast to all members of the Senate at least one meeting in advance of the meeting at which they are to be considered.

1. Adoption requires (51%) of the Staff Senate.
- 

## Bylaw XI: Adoption of Constitution

This constitution shall take effect upon:

1. The majority (51%) approval by Staff Association members as determined by votes cast.
2. Final approval by the NNMC Board of Regents
